What you can do

- Check if there are Trade agreements between our Countries
- EXW (you arrange delivery)
 - Delivery address where the articles will end up
 - Arrange pick up (truck, container, parcel service) as early as possible
 - Send us Entry certificate
- CFR/DAP/CPT (we arrange delivery)
 - Delivery address where the articles will end up
 - Local contact (Name and telephone number)

Why we do this

- If you want to export/Import globaly, you need to act according to customs law
- We want to use those laws as a benefit for us
 - Simplyfied customs procedure at SPIETH ware house (no need to drive to customs office truck can directly go to border (customs office of exit))
 - > Less cost for you
- With correct documents we have less trouble during export/import
 - Loading delays at harbour
 - Increased container/truck controls at export/import customs
 - > Less cost for you
 - > Less delays for customers
- Correct origins and tarifications can lead to lower import taxes and customs fees
 - Less cost for you
 - > Lower sales prices for your customer

Why we do this

- Future plans:
- Convert as much articles as possible to Sports equipment according to customs law

- Why:
 - few restrictions (embargos)
 - Lower taxes on Sport equipment
 - Less cost and trouble with import
